

5052 O - H112 Alloy Aluminum Plate Sheet 100mm - 2600mm Width For Building

Our Product Introduction

Basic Information

- Place of Origin: Jiangsu, China
- Brand Name: CHALCO
- Certification: ISO9001
- Model Number: 1000series, 2000series, 3000series, 5000series, 6000series, 7000series
- Minimum Order Quantity: 3ton
- Price: Negotiable
- Packaging Details: Exporting package/wooden box package etc
- Delivery Time: 3-15 days
- Payment Terms: L/C, T/T, Western Union
- Supply Ability: 20000 Ton/Tons per Month

Product Specification

- Width: 100mm-2600mm
- Application: Building
- Model Number: 5052
- Thickness: 0.2-200mm Customized
- Place Of Origin: Jiangsu, China
- Delivery Time: 8-14 Days
- Highlight: **O-H112 Alloy Aluminum Plate Sheet, 100mm 5052 Aluminum Plate Sheet, Mill Finish Aluminum Plate Sheet**

Product Description

Chinalco 5052 O-H112 Aluminum Alloy Sheet 100mm-2600mm Width For Building

5052 aluminum plate is AL-Mg alloy aluminum plate, magnesium is the main alloy element in 5052 aluminum plate, is the most widely used rust resistant aluminum, this alloy has high strength, especially with fatigue strength: High plasticity and corrosion resistance, can not be strengthened by heat treatment, in the semi-cold hardening plasticity is good, cold hardening plasticity is low, good corrosion resistance, good weldability, bad machinability, polishing.

Aluminum - magnesium alloys also contain small amounts of manganese, chromium, beryllium, titanium, etc. In addition to a small amount of manganese in the alloy, most of the formation of MnAl₆. The role of chromium in 5052 aluminum plate is similar to that of manganese, which can improve the stress corrosion cracking resistance, improve the strength of matrix metal and weld, and reduce the welding crack tendency, but its content is generally less than 0.35%.

Product	Aluminum Plate
Property	Anti-Corrosion,Heat Resistant
Surface	Mill Finish
Production Process	Cold Rolled,Hot Rolled
Temper	O,H14,H24,H32,H112 Etc;T4,T651 Etc
Thickness	0.3mm - 300mm
Width	100mm - 2600mm
Length	1000mm - 12000mm
MOQ	7 tons(According to specifications)
Payment Term	TT,LC at sight,WestUnion,KunLun Bank
Package	Export wooden pallets,Craft paper,Anti-Blushing Agent.
Delivery Time	Future goods:20-30 Work days,Ready Stock:7-10 days.
Quality of Material	Totally free from defects like white rust,adage damage,camber,dents,holes,break lines,scratches .
Kind Attention	Specification can be custommized as the customer's requirements.
