

ASTM 5083 H112 Aluminum Sheet 10mm 3000mm Length Polished Surface For Building

Our Product Introduction

For more products please visit us on aluminium-sheetcoil.com

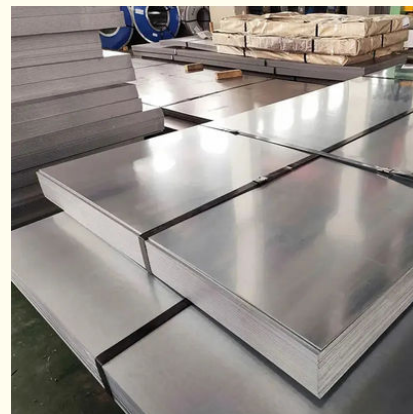

Basic Information

- Place of Origin: Jiangsu China
- Brand Name: Chinalco
- Certification: ASTM GB EN
- Model Number: 1050 1060 2024 5052 6061 6063 6082 7075 8011
- Minimum Order Quantity: 1 TON
- Price: Negotiable
- Packaging Details: Standard Seaworthy Packing
- Delivery Time: 7-10 days, or depends on the specific quantity
- Payment Terms: T/T,L/C
- Supply Ability: 20000tons/year

Product Specification

- Color: Silver, Golden, Black, Etc.
- Processing Technology: Hot Rolling, Cold Rolling
- Application: Building Construction, decoration, Chemical Industry Container
- Surface Treatment: Mill Finish, Anodized, Brushed, Embossed, Etc.
- Material: Aluminium
- Shape: Flat Sheet
- Length: 1000mm-11000mm Or As Required
- Package: Standard Export Package
- Highlight: **ASTM 5083 Aluminum Sheet, 3000mm Aluminum plate Sheet, Mill Finish Polished Aluminum plate Sheet**

Product Description

Product Description:

Aluminium Sheet is a thin metal sheet made of aluminium which is one of the most common materials used in the world. It has a length range from 1000mm to 11000mm and a width range from 1000mm to 2000mm. Aluminium sheets come in different surfaces like mill finish, anodized, brushed, and embossed. They are usually made of 6063 aluminum alloy, 1050 aluminum alloy, or other aluminum alloys. The color of aluminum sheet varies from silver, golden, black, and other colors.

Aluminium Sheet is widely used in various industries due to its light weight, durability, malleability, and affordability. It is ideal for making parts, components, machining, and other applications. It is also used for various purposes such as decoration, packaging, and other industrial applications. Aluminium Sheet can be used for making roofing sheets, exterior cladding, ceiling panels, and other architectural applications.

Technical Parameters:

Attribute	Value
Application	Building Construction, decoration, Chemical Industry Container
Surface Treatment	Mill Finish, Anodized, Brushed, Embossed, Etc.
Color	Silver, Golden, Black, Etc.
Shape	Flat Sheet
Package	Standard Export Package
Standard	ASTM, GB, EN, Etc.
Length	1000mm-11000mm Or As Required
Processing Technology	Hot Rolling, Cold Rolling
Thickness	0.5mm-200mm Or As Required
Trade Terms	FOB CIF CFR EXW
Steel Sheet	1050 Aluminum Sheet
Aluminum Sheet	Aluminum Alloy Sheet

Applications:

Aluminium sheet produced by Chinalco is a kind of metal product with excellent properties. It can be used for various purposes, such as construction, decoration, electrical appliances, transportation, machinery, furniture, etc. Chinalco aluminium sheet has a wide range of models, including 1050 1060 2024 5052 6061 6063 6082 7075 8011, and is certified according to ASTM, GB, EN standards. The minimum order quantity is 1 ton, and the standard seaworthy packing is adopted. The delivery time is 7-10 days, or depends on the specific quantity. The payment terms are T/T, L/C, and the supply capacity is 20000 tons per year. The trade terms include FOB, CIF, CFR, EXW, etc. The color of Chinalco aluminium sheet is silver, golden, black, etc. The material is aluminium. The tolerance is ± 0.02 mm, and the standard is ASTM, GB, EN, etc.

Support and Services:

Technical Support and Service for Aluminium Sheet includes:

Provide design and fabrication services.

Provide installation and maintenance services.

Advise on storage and handling.

Provide technical advice.

Provide post-sales support.

Packing and Shipping:

Packaging and Shipping for Aluminium Sheet:

Aluminium sheet is usually packaged in either rolls or flat stacked sheets. For rolls, they are wrapped in plastic and placed in cardboard boxes for shipping. For flat stacked sheets, they are wrapped in plastic or paper and placed in cardboard boxes for shipping.

FAQ:

Q1: What brand is Chinalco's aluminium sheet?

A1: Chinalco is a brand of aluminium sheet.

Q2: What are the model numbers of Chinalco aluminium sheet?

A2: The model numbers of Chinalco aluminium sheet are 1050 1060 2024 5052 6061 6063 6082 7075 8011.

Q3: Where is Chinalco aluminium sheet from?

A3: Chinalco aluminium sheet is from Jiangsu, China.

Q4: What certifications does Chinalco aluminium sheet have?

A4: Chinalco aluminium sheet has ASTM GB EN certifications.

Q5: What is the minimum order quantity of Chinalco aluminium sheet?

A5: The minimum order quantity of Chinalco aluminium sheet is 1 Ton.
