

AISI 6082 8mm 20mm Aluminium Rod Alloy Bar Round Shape Polished Surface For Building

Our Product Introduction

For more products please visit us on aluminium-sheetcoil.com

Basic Information

- Place of Origin: Jiangsu, China
- Brand Name: Chinalco
- Certification: ASTM GB EN
- Model Number: 1050 1060 2024 5052 6061 6063 6082 7075 8011
- Minimum Order Quantity: 1 TON
- Price: Negotiable
- Packaging Details: Standard Seaworthy Packing
- Delivery Time: 7-10 days, or depends on the specific quantity
- Payment Terms: T/T, L/C
- Supply Ability: 20000 tons/year

Product Specification

- Material: Aluminium Alloy
- Standard: JIS, AISI, ASTM, GB, DIN, EN, Etc.
- Diameter: 2mm-100mm Or As Required
- Length: 1000-11000mm Or As Required
- Processing Service: Bending, Decoiling, Welding, Punching, Cutting
- Trade Terms: FOB CIF CFR EXW
- Applications: Building Construction, decoration, Chemical Industry Container
- Highlight: **Aluminium Rod Alloy Bar 8mm, 6082 Aluminium Rod Bar, Polished Surface Aluminium Rod Bar**

Product Description:

Aluminum has special chemical and physical properties. It not only has light weight and strong texture, but also has good ductility, conductivity, thermal conductivity, heat resistance and nuclear radiation resistance. It is an important basic raw material for national economic development.

Features:

Grade	2024/2618/2018/2014/1199/1090/1080/1070/*1050/106/1200/1100/ 5052/5154/5038/5056/6061/6165/6011
Temper	T4, T3511,T6, T6511
Diameter	2mm-100mm Or As Required
Length	1000-11000mm Or As Required, and can cut to short sizes.
Process	Extrusion, Smooth Surface.
Optional Service	Cutting, Anodizing, Custom-made.
Package	Export wooden pallets, Plastic film,(ship by sea)

Applications:

Engineering construction

Automobile manufacturing

Mechanical engineering

Equipment

Aviation navigation

Support and Services:

Provide professional technical guidance and installation instructions.

Provide free maintenance and warranty services.

Offer a variety of after-sales services including replacement, repair, spare parts supply, and technical support.

Provide online technical support and remote maintenance services.

Provide on-site training and technical support.

Provide timely response to customer feedback.

Packing and Shipping:

The aluminium rod will be packaged and shipped in a cardboard box. The box will be reinforced with foam padding to protect the rod from damage during shipment. The box will be securely sealed with a packing tape to ensure it arrives in perfect condition. The box will then be labeled with the product name and the address of the recipient.

FAQ:

Q: What is the brand name of the Aluminium Rod?

A: The brand name of the Aluminium Rod is Chinalco.

Q: What are the model numbers of the Aluminium Rod?

A: The model numbers of the Aluminium Rod are 1050 1060 2024 5052 6061 6063 6082 7075 8011.

Q: Where is the place of origin of the Aluminium Rod?

A: The place of origin of the Aluminium Rod is Jiangsu China.

Q: What certifications do the Aluminium Rod have?

A: The Aluminium Rod have ASTM GB EN certification.

Q: What is the minimum order quantity of the Aluminium Rod?

A: The minimum order quantity of the Aluminium Rod is 1 TON.
