

AISI 6061 Aluminum Alloy Pipe With Polished Surface 20mm Welded Tube ISO Certificate

Our Product Introduction

For more products please visit us on aluminium-sheetcoil.com

Basic Information

- Place of Origin: Jiangsu China
- Brand Name: Chinalco
- Certification: ASTM GB EN
- Model Number: 1050 1060 2024 5052 6061 6063 6082 7075 8011
- Minimum Order Quantity: 1 TON
- Price: Negotiable
- Packaging Details: Standard Seaworthy Packing
- Delivery Time: 7-10 days, or depends on the specific quantity
- Payment Terms: T/T,L/C
- Supply Ability: 20000tons/year

Product Specification

- Alloy Or Not: Alloy
- Out Diameter: 3-250mm Or As Required
- Wall Thickness: 0.3-50mm Or As Required
- Processing Service: Bending, Decoiling, Welding, Punching, Cutting
- Shape: Round
- Color: Silver
- Sample: Available
- Highlight: **AISI 6061 Aluminum Alloy Pipe,
Polished Surface Aluminum Alloy Pipe,
20mm Welded Aluminum Pipe**

Product Description

Product Description:

Our 6061 T6 aluminum pipe is a type of aluminum alloy material, which has excellent performance in strength, hardness, corrosion resistance, weldability and other properties. It has a length of 1000mm-11000mm or as required, a color of silver, a surface treatment of polished, and an outer diameter of 2-50mm or as required. We accept third-party inspections to ensure product quality.

It has excellent mechanical properties, excellent corrosion resistance, and high strength. It is easy to process and form, and has good weldability.

Features:

Product Name	Aluminum (Aluminium) Tube/Pipe
Material Grade	1000 series: 1050,1060,1070,1080,1100,1435, etc 2000 series: 2011,2014,2017,2024, etc 3000 series: 3002,3003,3104,3204,3030, etc 5000 series: 5005,5025,5040,5056,5083, etc 6000 series: 6101,6003,6061,6063,6020,6201,6262,6082, etc 7000 series: 7003,7005,7050,7075, etc
Size	Outer Diameter:3-250mm or as required
	Wall Thickness: 0.3-50mm or as required
	Length: 10mm -6000mm or as required
Standards	ASTM, ASME,EN, JIS, DIN,GB/T etc
Surface treatment	Mill finished,anodized,powder coating,Sand blast,etc
Surface colors	Nature, silver, bronze, champagne, black, gloden, etc As customized
Status	T4 T5 T6 or other special status
Usage	Aluminum profile for windows/ doors/ decoration/ construction/ curtain wall
Quality	China Nation Standard GB/T
Packing	Protective film +plastic film or EPE +kraft paper
Certificate	ISO 9001:2008

Applications:

The 6061 T6 aluminum pipe is widely used in various fields such as aviation, aerospace, military, automotive, chemical, construction, and

medical. It can be used as a material for structural support, interior and exterior decoration, and other applications.

bridge manufacturing

workshop building

pipeline engineering

building structure

railway construction

chemical engineering

Support and Services:

[Product installation and setup](#)

[Troubleshooting and technical support](#)

[Product upgrades and updates](#)

[Product maintenance](#)

[Product replacement and repair](#)

If you have any questions or need assistance with Aluminium Pipe, please contact us.

Packing and Shipping:

Aluminium pipes are typically packaged in strong cardboard boxes with bubble wrap or foam padding to protect them from damage during shipping. The pipes should be separated from each other to prevent them from rubbing against one another and causing scratches or dents.

The Sample Delivery

FAQ:

Q: Do you provide samples ?How can I get a sample to check your quality? Is it free or extra?

A: Free samples are available for your checking and testing. And to get free samples, you need to send us your detailed receiving address (including post code) and your DHL/FedEx/UPS account for collecting samples, courier cost will be paid in your side.

Q: How is the quality of your products?

A: Our products are manufactured strictly according to national and international standard, and we take a test before delivered out. If you want see our quality certifications and all kinds of testing report, please just ask us for it.

Q: Are you factory or trader?

A: Our company has been manufacturing and selling steel products for many years since 2009. We've gained our Export Right and become an integrated company of industry and trade in order to satisfy buyer's multi-request on different material and products.
