

AISI 5083 7075 Alloy Aluminum Tube Pipe Seamless Polished Surface 6m Length

Our Product Introduction

For more products please visit us on aluminium-sheetcoil.com

Basic Information

- Place of Origin: Jiangsu China
- Brand Name: Chinalco
- Certification: ASTM GB EN
- Model Number: 1050 1060 2024 5052 6061 6063 6082 7075 8011
- Minimum Order Quantity: 1 TON
- Price: Negotiable
- Packaging Details: Standard Seaworthy Packing
- Delivery Time: 7-10 days, or depends on the specific quantity
- Payment Terms: T/T,L/C
- Supply Ability: 20000tons/year

Product Specification

- Shape: Round
- Place Of Loading: Shanghai Port
- Sample: Available
- Trade Terms: FOB,CIF,CFR,EXW
- Out Diameter: 2-50mm Or As Required
- Color: Silver
- Material: Aluminium
- Length: 1000mm-11000mm Or As Required
- Highlight: **7075 Alloy Aluminum Tube Pipe,
AISI 5083 Alloy Aluminum Pipe,
6m Alloy Aluminum Pipe**

Product Description:

Aluminium Pipe is a kind of pipe made of aluminium material. It is a durable and lightweight alternative to other types of pipes. It is widely used in many different industries, such as construction, automotive, and aerospace. And it can also be used for various applications, including piping, insulation, air conditioning, and marine applications.

Features:

Product	Aluminum Alloy Pipe	
Standard	GB/T3190-2008,GB/T3880-2006,ASTM B209,JIS H4000-2006,etc	
Material	1050,1060,2A14,3003,3103,4032,5454,5754,5056,5082,5086,6061,6060,6082,7075,7475	
Size	Thickness	0.5-200mm or as required.
	Width	100-2000mm or as required.
	Length	2000mm,2440mm,6000mm,or as required.
Quality Control	Mill Test Certification is supplied with shipment,Third Part Inspection is acceptable.	
Surface	Bright,polished,hair line,brush,sand blast,checkered,embossed,etching,etc	
Trade Terms	FOB CIF CFR EXW	
Delivery Time	7-10 days,or depends on the quantity	

Applications:

Aluminium Pipe is a kind of pipe made of aluminium material. It is a durable and lightweight alternative to other types of pipes. It is widely used in many different industries, such as construction, automotive, and aerospace. And it can also be used for various applications, including piping, insulation, air conditioning, and marine applications.

Support and Services:

We provide comprehensive technical support and services to ensure the successful use of Aluminium Pipe in a variety of applications. Our experienced engineers can provide customized solutions for your specific needs, and provide technical advice on the use, design, and installation of our products.

We also offer a range of additional services, including training, product testing, product certification, and warranty services.

If you have any questions or need additional assistance, please contact us directly and one of our team members will be happy to assist you.

Packing and Shipping:

Aluminium Pipe products are packaged and shipped in a secure container. The product is wrapped in protective material and sealed in the container to ensure that no damage occurs during shipping. The containers are then secured to pallets and are shipped via air or ground depending on the customer's needs. The containers are also marked with the relevant shipping information including the product's destination and origin.

The Sample Delivery

FAQ:

Q1: What is Aluminium Pipe?

A1: Aluminium Pipe is shaped metal that is made from aluminum alloy. It is widely used in industrial, construction and decoration due to its strength, light weight, good corrosion resistance and excellent ductility.

Q2: What is the Brand Name?

A2: The Brand Name is Chinalco.

Q3: What are the available model numbers?

A3: The available model numbers are 1050 1060 2024 5052 6061 6063 6082 7075 8011.

Q4: Where is the Place of Origin?

A4: The place of origin is Jiangsu China.

Q5: What are the Certification, Minimum Order Quantity, Packaging Details, Delivery Time, Payment Terms, and Supply Ability?

A5: The Certification is ASTM GB EN; The Minimum Order Quantity is 1 TON; The Packaging Details is Standard Seaworthy Packing; The Delivery Time is 7-10 days, or depends on the specific quantity; The Payment Terms is T/T,L/C; The Supply Ability is 20000tons/year.
