

Alloy 1050 H14 Mill Finish Aluminum Disc Hot Rolled 3mm 5mm Thickness For Cookware

Our Product Introduction

For more products please visit us on aluminium-sheetcoil.com

Basic Information

- Place of Origin: Jiangsu China
- Brand Name: Chinalco
- Certification: ISO9001,SGS
- Model Number: 1050 1060 2024 5052 6061 6063 6082 7075 8011
- Minimum Order Quantity: 2 Tons
- Price: Negotiable
- Packaging Details: Standard Export Seaworthy Package
- Delivery Time: 5-10 Days after confirming order
- Payment Terms: L/C, T/T, Western Union
- Supply Ability: 5000MT/Month

Product Specification

- Product Name: Aluminum Disc
- Color: Silver Or According To Your Requirements
- Thickness: 0.2-10mm Or As Required
- Shape: Round
- Applications: Decoration, Construction, Industry, Etc.
- Certificate: ISO,SGS
- Packaging: Standard Seaworthy Packing
- Diameter: 10-100mm Or As Required
- Highlight: **Mill Finish Aluminum Disc,
1050 Aluminum Alloy Disc,
5mm Aluminum Alloy Disc**

Product Description

Product Description:

Aluminium Disc is made of high quality aluminum alloy material with diameters ranging from 10-100mm and thicknesses from 0.2-10mm or as required. We adopt advanced production technology to ensure that the products meet the exact specifications and requirements of customers. All our products are certified with ISO, SGS and other related certifications. They are widely used in the aviation, aerospace, automotive, electronics, printing and other industries.

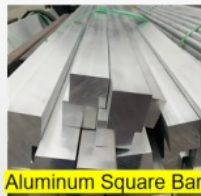

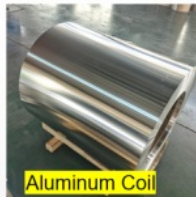

Features:

Aluminum circle/disc	
Alloy	1050, 1060, 1070, 1100, 3003, 3004, 3105, 3A21, 5005, 5052, 5754, 5083, 5182 etc.
Temper	O, H12, H14, H16, H18, H24, H32, etc
Thickness range	0.2mm—10mm (Or customized according to customer requirements)
Diameter range	10mm—100mm (Or customized according to customer requirements)
Processes	Hot rolled (DC) or Cold rolled (CC)
Surface Treatment	Mill Finish, Coating
Packaging	Seaworthy Wooden pallet, Wooden case, Aluminum plate case
Standard	GB/T 24001-2016, GB/T 19001-2016, ASTM, JIS, EN
Certificates	ISO9001, SGS
Appearance	Flat clean surface without scratches, wholes, oil dirty, oxidation; cutting edge no burrs
Application	For Aluminium cookware, pot, pan, stock pots, frypan, reflector of the light, for making electric rice cookers, non-stick pans/pots, pizza pans, tea kettles, bakeware, traffic sign. Led shell, basins, light reflectors
MOQ	We can accept 500kg each size or less if we have the same specification in stock.
Delivery Time	Future Goods: 7-15 days, Ready stock: 5-7days
Payment Terms	30% T/T in advance as deposit, 70% balance against the B/L copy ; or 100% irrevocable L/C at sight
Our Service	We can provide you with free samples and various custom services

Detailed Photo:

Recommended Products:

Applications:

It can be used in various fields such as automotive, aerospace, construction, home appliances, and electronics. With its light weight and good corrosion resistance, it is an ideal product for manufacturing car lightweight body parts, aircraft frames, ships, and other structural components.

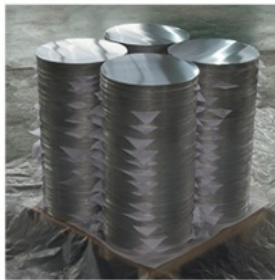

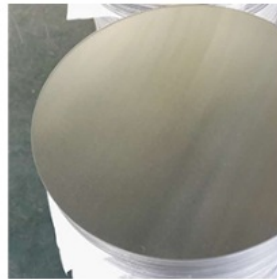

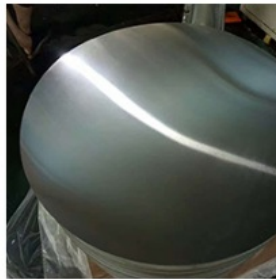

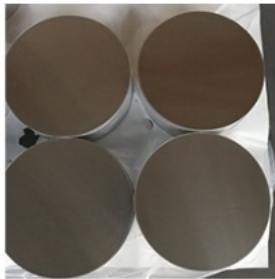

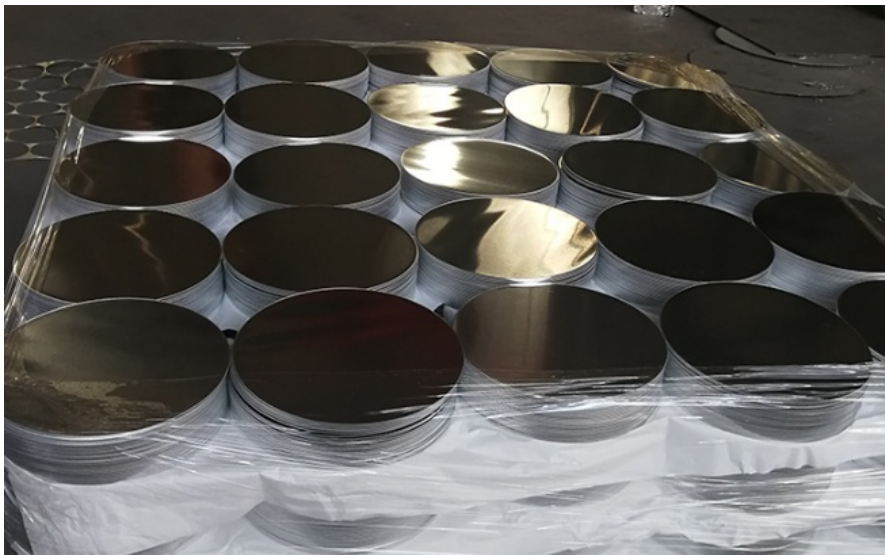

Support and Services:

Provide 24/7 customer support and technical assistance
Resolve customer queries and complaints quickly and efficiently
Help customers understand product features and troubleshoot any issues
Provide guidance to customers on product installation and maintenance
Offer regular updates on product performance

Packing and Shipping:

Aluminium discs should be packaged in a protective material such as bubble wrap or corrugated cardboard. The discs should be securely taped to prevent them from moving around in the package. It is important to ensure that the package is properly sealed and labeled with the weight and size of the discs.

FAQ:

1.Can you offer certificate of origin?

Yes, we can offer CO, FTA, Form A, Form B, Form E etc based on your requirements.

2.How can you guarantee the quality?

We have complete test systems from raw materials to finished products, each step must be checked and signed by our professional teams.

3.How can I get your quotation?

Please mention the alloy&temper, application, thickness, tensile strength, elongation etc, we will quote as soon as we can.

4.How about the delivery time?

It is about 7-10days normally according to different order requirements.

5.Can we visit your factory?

Yes sure, we sincerely welcome you to visit us at any time!

6. May I know your payment terms?

We prefer payment by T/T and L/C. Payment term: 30% deposit in advance, 70% should be paid before shipment. If you want other terms, please feel free to let us know in your inquiry.
