

5a06 H12 Aluminum Plate Sheet Silver Iso Certificate 1220mm 2300mm Width For Industry

Our Product Introduction

For more products please visit us on aluminium-sheetcoil.com

Basic Information

- Place of Origin: Jiangsu China
- Brand Name: Chinalco
- Certification: ASTM GB EN
- Model Number: 1050 1060 2024 5052 6061 6063 6082 7075 8011
- Minimum Order Quantity: 1 TON
- Price: Negotiable
- Packaging Details: Standard Seaworthy Packing
- Delivery Time: 7-10 days, or depends on the specific quantity
- Payment Terms: T/T, 100% L/C At Sight
- Supply Ability: 20000 tons/year

Product Specification

- Packaging: Standard Seaworthy Packing
- Material: Aluminium
- Shape: Flat Plate Sheet
- Trade Terms: FOB CIF CFR EXW
- Length: 1000mm-11000mm Or As Required
- Hardness: 1/2 3/4 Full Hardness
- Width: 600-2300mm Or As Required
- Test: The Third Inspection Is Available
- Highlight: 5a06 h12 aluminum plate sheet, 2300mm width aluminum plate sheet, industry 2mm thick aluminium sheet

Product Description:

Our aluminium plate sheet are made with superior quality materials and are available in various sizes, shapes and thickness. They are designed to withstand extreme weather conditions and are corrosion-resistant. They are also extremely light-weight and durable. The aluminium plate sheet can be used for a variety of purposes, such as in the automotive industry, the aerospace industry, and other industrial applications.

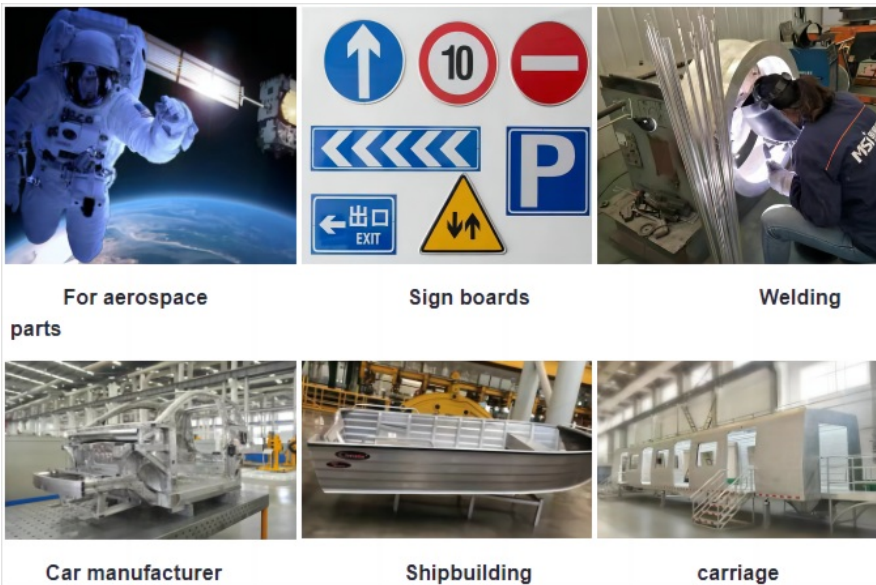

We are committed to providing the highest quality aluminium plate sheet to our customers. We use the latest technology and advanced manufacturing techniques to ensure that all our products meet the highest standards of quality and performance. Our aluminium plate sheet are designed to meet the demands of the most demanding applications and are available at competitive prices.

Features:

| | |
|--------------------|--|
| Item | Value |
| Grade | 5000 Series |
| Temper | O-H112 |
| Type | Plate |
| Application | Chemistry industry |
| Width | 600mm-2300mm or as required |
| Surface Treatment | Coated |
| Alloy Or Not | Non-Alloy |
| Place of Origin | China |
| | Jiangsu |
| Tolerance | ±1% |
| Processing Service | Bending, Decoiling, Welding, Punching, Cutting |
| Product Name | Aluminum Alloy Plate |
| Shape | Flat Plate |
| Material | 1100/1050/2024/3003/5052/5083/5086/6061/6082/7021/7075 |
| Color | Silver |
| Standard | GB/T3880 ASTM B209 |
| MOQ | 1 Ton |
| Certification | SGS ISO 9001 |
| Usage | Industrial |
| Payment Terms | 30%T/T Advance + 70% Balance,100%L/C at sight |
| Package | Standard Sea Worthy Wooden Package |

Applications:

5000 Series aluminum-magnesium alloys are commonly used in aerospace applications such as aircraft fuel tanks. Widely used in traditional industries

For aerospace parts

Sign boards

Welding

Car manufacturer

Shipbuilding

carriage

Support and Services:

We provide technical support and services for Aluminium Plate Sheet products to ensure the quality and performance of the product. Our technical support team is available 24/7 to provide assistance and guidance in the use of our products.

Technical Support

Provide technical advice and assistance about the use of our products.

Answer any questions about our products.

Provide troubleshooting and diagnostic services.

Update software and drivers as needed.

Services

Installation, maintenance and repair of our products.

Provide replacement parts and accessories.

Carry out tests and calibrations.

Train customers on the use of our products.

Packing and Shipping:

Aluminium Plate Sheet is packaged in protective plastic film to prevent scratching and damage during transportation. The sheets are then placed in an appropriate sized cardboard box to provide extra protection during shipping.

We offer secure and reliable shipping options so that the Aluminium Plate Sheet is always delivered safely and on time. We use a variety of shipping providers to ensure that our customers receive the best possible service.

The Sample Delivery

FAQ:

1. Q: Are you a manufacturer?

A: Yes, we are manufacturers. We have our own factory and our own company. I believe we will be the most suitable supplier for you.

2. Q: Can we visit your factory?

A: Sure, we welcome you to visit our factory, check our production lines and know more about our strength and quality.

3. Q: Do you have quality control system?

A: Yes, we have ISO, BV, MTC, certifications and our own quality control laboratory. Third party testing services are also available.

4. Q: Can you arrange the shipment for us?

A: Yes, we have designated sea freight and railway freight forwarders with decades of experiences and we get the best price with earliest vessel and professional service.
