

## 7000 Series 7070 7075 Aluminum Alloy Rod Polished Mill Finish T6 Temper For Building

Our Product Introduction

For more products please visit us on [aluminium-sheetcoil.com](http://aluminium-sheetcoil.com)

### Basic Information

- Place of Origin: Jiangsu China
- Brand Name: Chinalco
- Certification: ASTM GB EN
- Model Number: 1050 1060 2024 5052 6061 6063 6082 7075 8011
- Minimum Order Quantity: 1 TON
- Price: Negotiable
- Packaging Details: Standard Seaworthy Packing
- Delivery Time: 7-10 days, or depends on the specific quantity
- Payment Terms: T/T,L/C
- Supply Ability: 20000tons/year

### Product Specification

- Trade Terms: FOB CIF CFR EXW
- Surface Treatment: Polished
- Material: Aluminium Alloy
- Length: 1000-11000mm Or As Required
- Standard: JIS, AISI, ASTM, GB, DIN, EN, Etc.
- Diameter: 2mm-100mm Or As Required
- Temper: O - H112
- Shape: Round,square
- Highlight: 7070 aluminum alloy rod,  
building polished aluminum alloy rod,  
7075 aluminum alloy bar

Product Description:

7000 series aluminum rod are the perfect choice for users who are looking for aluminum round rod. They has strong corrosion resistance, good mechanical properties, moderate strength, and so on. Meanwhile, their surface is smooth and bright, and they can be processed into various shapes. With their excellent performance, our aluminum rods are widely used in various fields.

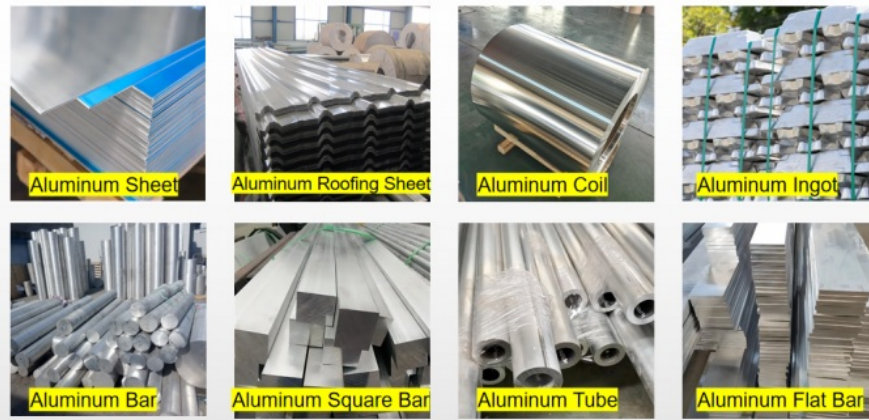

Features:

Product Name	Aluminum Round Bar/Square Bar/Rectangular Bar/ Hexagonal Bar
Alloy Grade	1060,1070,1100,2A11,2A12,2A14,2A50,2A70,2014,2024,2007,2017,2219,2030,3003,3A21,4032,5052,5754,5083, 5056,5086,5A02,5A03,5A05,5A06,6060,6061,6063,6082,6351,6A02,7075,7A04,7A05,7A09 etc.
Size	Round Bar: Φ4-650mm
	Square Bar: 4*4mm - 200*200mm
	Rectangular Bar: 3*4mm - 200*300mm
	Flat Bar: 3*4 - 10*675mm
	Hexagonal Bar: A/F 6-300mm
Length	200mm - 12000 mm, as customers' requirements
Temper	O-H112, F,F32,F35,F38, T3-T8, T351-T851
Surface	Mill Finish, bright, polished, hair line, brush, sand blast, checkered, embossed, etching, etc
Trade Terms	FOB CIF CFR EXW

Mechanical Property:

Mechanical Property

## More Products:

## Applications:

Aluminium Rod is a well-known brand among the metal industry. It is widely used in a variety of fields, such as building construction, decoration, chemical industry container and so on.

## Support and Services:

We provide timely and comprehensive technical support and service for our Aluminium Rods. Our team of experts is available to offer you the best advice and solutions to your problems. We are committed to providing you with the latest product information, technical updates, and troubleshooting tips.

We also offer a wide range of support services such as installation, maintenance, and emergency repairs. Our team is always ready to provide you with the necessary tools and materials to get your Aluminium Rods up and running. We are dedicated to providing our customers with the highest level of satisfaction and reliability.

If you have any questions or concerns about your Aluminium Rods, please don't hesitate to contact us. We are here to help you get the most out of your purchase.

## Packing and Shipping:

The Aluminium Rods will be safely and securely packaged for shipping using suitable shipping containers. The containers will be sealed to prevent any damage during shipping. The rods will be wrapped in bubble wrap for extra protection and to prevent them from scraping against each other during shipping. The shipping containers will be labeled clearly with the address of the recipient and the contents of the package.

## FAQ:

1.What's your advantage?

A: Honest business with competitive price and professional service on export process.

2. How I believe you?

A : We consider honest as the life of our company, we can tell you the contact information of our some other clients for you to check our credit. Besides, there is trade assurance from Alibaba, your order and money will be well guaranteed.

3.Can you give warranty of your products?

A: Yes, we extend a 100% satisfaction guarantee on all items. Please feel free to feedback immediately if you are not pleased with our quality or service.

4.Where are you? Can I visit you?

A: Sure,welcome to you visit our factory at any time.
