Price Term	FOB, CFR, CIF, EXW, etc.
Surface Treatment	Mill Finish, Coated, Anodizing, Embossing, etc.

Type:

Recommend Product:

Applications:

Due to its durable, lightweight, and non-slip properties, Aluminum Checkered Plate has a wide range of applications, including but not limited to:

Decoration - Aluminum Checkered Plate can be used for interior and exterior decoration, adding a unique and modern touch to any space.

Construction - It is commonly used in flooring, stairs, and catwalks in buildings, as well as for wall and ceiling panels.

Transportation - The non-slip surface of Aluminum Checkered Plate makes it ideal for use in vehicles, such as trucks, trailers, and boats.

Industrial - It is suitable for industrial flooring, ramps, and platforms, providing a safe and stable working environment.

Packing and Shipping:

Our Aluminum Checkered Plate is first wrapped in a layer of protective film to prevent any scratches or damages during transportation. It is then placed in a sturdy wooden crate and securely fastened with metal straps to prevent movement during shipping. We also add corner protectors to further protect the edges of the plate.

The Sample Delivery
