

## 5 Bars Pattern 5083 Aluminum Checker Plate Mill Edge Finish For Decoration

Our Product Introduction

For more products please visit us on [aluminium-sheetcoil.com](http://aluminium-sheetcoil.com)

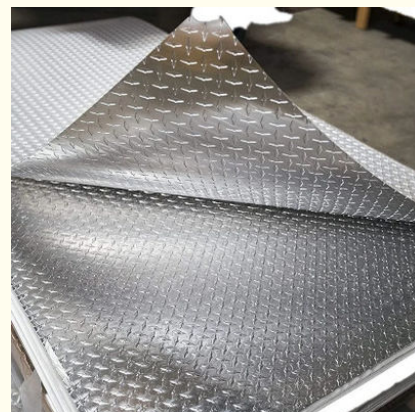

### Basic Information

- Place of Origin: Jiangsu China
- Brand Name: Chinalco
- Certification: ASTM GB EN
- Model Number: 1050 1060 2024 5052 6061 6063 6082 7075 8011
- Minimum Order Quantity: 1 TON
- Price: Negotiable
- Packaging Details: Standard Seaworthy Packing
- Delivery Time: 7-10 days, or depends on the specific quantity
- Payment Terms: T/T, L/C
- Supply Ability: 20000tons/year

### Product Specification

- Material: Aluminum
- Grade: 1100, 3003, 3105, 5052, 5754, 5083, 6061, 6082, Etc.
- Pattern: Diamond, Orange Peel, 5 Bars, 3 Bars, 2 Bars, 1 Bar, Etc.
- Surface Treatment: Mill Finish, Coated, Anodizing, Embossing, Etc.
- Thickness: 0.2mm-6mm Or As Required
- Edge: Mill Edge, Cut Edge
- Temper: H14, H16, H18, H22, H24, H26, O, Etc.
- Payment Term: T/T, L/C, Etc.
- Highlight: 5083 aluminum checkered plate, mill edge finish aluminum checkered plate, 5083 aluminium checker plate sheet

## Product Description

### Product Description:

The Aluminum Checkered Plate, also known as Aluminum Checker Plate, is a type of aluminum sheet with a raised pattern on its surface. This pattern not only adds a decorative touch but also provides anti-slip properties, making it ideal for flooring, stairs, and other applications.

With its anti-slip and decorative properties, the Aluminum Checkered Plate is a reliable and cost-effective choice for various applications. Contact us today to learn more about our products and to request a quote.

### Features:

Product Name	Embossed aluminum checkerd sheet
Standard	ASTM GB/T EN
Alloy	1050 1060 1100 3003 3004 3005 3105 5052 5754 5083 5086 6061 6063 7075 8011etc
Temper	O H12/H22 H14/H24, H16, H18, H32,H111, T6,T4 etc
Thickness	0.7mm-10.0mm or as required
Width	20-2600mm or as required
Length	1000mm,2000mm,2440mm,3000mm,3048mm,6000mm, or as required
Emboss Patterns	Small 5bar, big 5 bar,
	3bar, 2 bar, 1bar,
	Diamond, propeller, pointer, etc
Advantages	1. Accurate size, good anti-slip effect,wide range of applications
	2. Strong plasticity, easy forming and excellent processing performance.
	3. Embossed aluminum sheet can form a dense and strong oxide film on aluminum surface to prevent the intrusion of oxygen, so it has good corrosion resistance.
	4. Good elongation and tensile strength, fully able to meet the normal processing requirements (stamping, stretching), high formability
	5. The surface quality of aluminum checker plate is good, no oil spots, waves, scratches, roller marks, neat trimming, no burrs.
Payment terms	T/T, L/C, and Western Union
Price terms	FOB CIF CFR CNF etc
Package	Standard seaworthy export wooden pallets
Application	floor of airplane, light rail and vehicles; deck of vessel, stairs, ladders, shelves,temporary scaffolding, platform, suspension beam, elevators, etc

### Detailed Photo:

### Type:

Two Bars Pattern

Three Bars Pattern

Five bars pattern

Lentils Pattern

Pointer Pattern

diamond pattern

### Applications:

The Aluminum Checkered Plate is a versatile product that can be used in a variety of applications. As a high-quality product from Chinalco, it is perfect for decoration, construction, transportation and more.

Fence

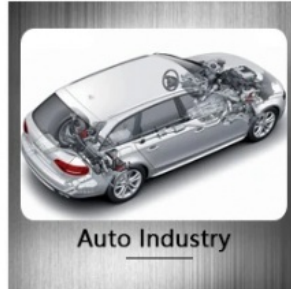

kitchen equipment

kitchenware

Stainless steel door panel

Auto Industry

chemical industry

### Packing and Shipping:

Aluminum checkered plate will be packed in wooden pallets with plastic protection film to ensure safe transportation. The pallets will be securely fastened with metal bands for stability. The plates will be stacked and layered to minimize any potential damage during shipping. For international shipping, the plates will be loaded onto a container or shipped in bulk depending on the quantity ordered. Shipping methods such as sea freight, air freight, or land transport can be arranged according to customer's preferences and needs. Each package will be clearly labeled with product information, including size, quantity, and destination, to ensure easy identification upon arrival.

### FAQ:

1.What kind of work does your company do?

Our company is a professional manufacturer.

We mainly produces aluminium steel sheet/pipe/coil/lead round bars,as well as galvanized plate/pipe/coil/lead wire/corrugated sheet,etc.

2.Do you provide free samples?

Yes, we can provide free sample for testing,buyer should bear all the shipping costs.

3.How long is your delivery time?

Generally it is 3-7 days if the goods are in stock or it is 7-15 days if the goods are not in stock, it is according to quantity.

4.How can we guarantee quality?

Always a pre-production sample before mass production;always final Inspection before shipment.And we can also accept the third-party inspection and quarantine.
