

Cutting Service Aluminium Coil with $\pm 0.02\text{mm}$ - $\pm 0.05\text{mm}$ Tolerance and Customized Service

Our Product Introduction

Basic Information

- Place of Origin: Jiangsu China
- Brand Name: Chinalco
- Certification: ASTM GB EN
- Model Number: 1050 1060 2024 5052 6061 6063 6082 7075 8011
- Minimum Order Quantity: 1 TON
- Packaging Details: Standard Seaworthy Packing
- Delivery Time: 7-10 days, or depends on the specific quantity
- Payment Terms: T/T,L/C
- Supply Ability: 20000tons/year

Product Specification

- Service: Cutting,Welding,Punching Etc
- Tolerance: $\pm 0.02\text{mm}$ - $\pm 0.05\text{mm}$
- Inspection: The Third Inspection Can Be Accepted
- Port: Qingdao, Tianjin, Shangha
- Length: Customers' Requirement
- Surface: Mill Finish, Mirror Finish, Anodized, Color Coated
- Sample: We Can Provide It.
- Type: Roll
- Highlight: **precision cut aluminium coil,
custom aluminium coil cutting service,
aluminium coil with tight tolerance**

Product Description

Cutting Service Aluminium Coil with $\pm 0.02\text{mm}$ - $\pm 0.05\text{mm}$ Tolerance and Customized Service

Product Description

Our Aluminium Coil is a versatile and durable material widely used in various industries. Available in a range of lengths to meet specific requirements, we provide both standard sizes and custom solutions for your projects.

Featuring an Ace coating for enhanced corrosion and wear resistance, our coils offer both protection and aesthetic appeal. Available in multiple temper options to suit different needs:

O temper for softness and formability

H12, H14, H16, H18 for varying strength levels

H22, H24, H26, H32, H34, H36, H38 for specific applications

We adhere to ASTM standards with thorough quality inspections and welcome third-party verification. Samples are available for evaluation of dimensions, surface finish, and overall quality.

Our product range includes popular grades like **1050 Aluminum Coil** and **7075 Aluminum Coil**, known for their excellent performance in various applications.

Features

Product Name: Aluminium Coil

Temper: O, H12, H14, H16, H18, H22, H24, H26, H32, H34, H36, H38

Shape: Round Roll

Type: Roll

Inspection: Third-party inspection accepted

Port: Qinnngdao, Tianjin, Shanghai

Technical Parameters

Parameter	Details
Sample	Available
Service	Cutting, Welding, Punching etc.
Length	Customizable
Tolerance	$\pm 0.02\text{mm}$ - $\pm 0.05\text{mm}$
Alloy	Yes
OEM	Available
Port	Qinnngdao, Tianjin, Shanghai
Processing Service	Bending, Decoiling, Cutting
Surface Treatment	Coated
Surface	Mill Finish, Mirror Finish, Anodized, Color Coated

Applications

Our Aluminium Coils are suitable for diverse applications across construction, automotive, electronics, and packaging industries. Available in models 1050, 1060, 2024, 5052, 6061, 6063, 6082, 7075, and 8011.

Certified to ASTM, GB, and EN standards, we offer:

Minimum order quantity: 1 ton

Standard seaworthy packaging

Delivery time: 7-10 days (quantity dependent)

Payment terms: T/T or L/C

Annual supply capacity: 20,000 tons

Customization

Brand Name: Chinalco

Model Numbers: 1050, 1060, 2024, 5052, 6061, 6063, 6082, 7075, 8011

Origin: Jiangsu, China

Certification: ASTM, GB, EN

MOQ: 1 TON

Packaging: Standard seaworthy

Delivery: 7-10 days (quantity dependent)

Payment: T/T, L/C

Capacity: 20,000 tons/year

Size: 4X8FT/5X10FT/Custom

Support and Services

Our technical support team provides comprehensive assistance with installation, maintenance, and troubleshooting for our Aluminium Coil products.

Packing and Shipping

Each coil is carefully wrapped in protective material and packed in sturdy cardboard boxes for safe transportation. We use reliable courier services with proper labeling for easy identification.

Frequently Asked Questions

What is the brand name of the Aluminium Coil product?

The brand name is Chinalco.

What are the available model numbers?

Available models: 1050, 1060, 2024, 5052, 6061, 6063, 6082, 7075, and 8011.

Where is the product manufactured?

Manufactured in Jiangsu, China.

What certifications are available?

Certified to ASTM, GB, and EN standards.

What is the minimum order quantity?

Minimum order quantity is 1 ton.

What are the packaging details?

Standard seaworthy packaging is used.

What is the delivery time?

Typically 7-10 days, depending on order quantity.

What payment terms are accepted?

We accept T/T and L/C payments.

What is the annual supply capacity?

20,000 tons per year.
